Door with Cross Rail

Int. Appliance Door  
with Cross Rail and  
Split Rail

Integrated Appliance  
Door with 2 Cross Rails

Int. Appliance Door  
with 2 Cross Rails and  
Split Rail

## Frame Construction

- Top and sides: 37mm wide, 23mm thick solid Ash.
- Bottom: 69mm wide, 23mm thick solid Ash.

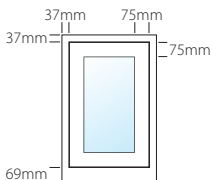

## Door Construction

- 75mm wide, 23mm thick solid Ash door frame.
- 8mm smooth centre panel.
- Matt painted finish.
- Glass doors are fitted with 4mm toughened grey antisen glass.

## Made to Measure

Made to Measure items are available for this range. There is no restriction on the number of Made to Measure doors requested, provided they form part of a larger order.

Made to Measure door frames suitable for use with glass are supplied with wood beading. (Please note: glass is not supplied.)

### Glass calculation

Glass width = door width – 197mm

Glass height = door height – 229mm

### Example

Door: 770 × 500mm

Glass: 541 × 303mm

## Curved Products

Please visit [burbidge.co.uk/online](http://burbidge.co.uk/online) for detailed information about carcass dimensions for use with Langton curved doors.

## Door Matrix

A door matrix to assist with door and drawer dimensions, combinations and positioning is available to download from [burbidge.co.uk/online](http://burbidge.co.uk/online)

## Painted To Order Finishes (PTO)

Alabaster (AL)	Baltic Green (BT)	Bone (BO)
Chalk (CH)	Charcoal (CO)	French Grey (45)
Gooseberry (GS)	Gravel (GV)	Lead (LE)
Mink (MK)	Old Navy (NY)	Pale Rose (PA)
Pale Smoke (PK)	Prussian Blue (PL)	Putty (PU)
Seal Grey (GE)	Soft Grey (SG)	Soft Moss (SO)
Thyme (TH)	Tuscan Red (TR)	

## Finish

Langton is a solid timber product available in either a primed or painted finish. The nature of these finishes is that they age with time, subtly changing in colour. Due to this we cannot guarantee an exact colour match to original doors for additional doors ordered in the future.

## Board Matches

Please visit [images.burbidge.co.uk](http://images.burbidge.co.uk) for our recommended board matches.

## Primed

Langton (891) is available in a primed finish suitable for painting.
